

Why Pre-Kindergarten?

The pre-K experience is critical, as it helps 3 and 4-year-old children develop the academic and life skills that will carry them into adulthood. Pre-K provides children with essential opportunities to learn and practice the social-emotional, problem-solving, and academic skills that they will use throughout their lives.

Our high-quality Early Childhood Programs...

- *Boost academic skills*
- *Fuel intellectual curiosity*
- *Foster independence*
- *Instill a love of lifelong learning*

Through common goals and high expectations, Chicago Public Schools is dedicated to building a strong foundation and igniting a lifelong passion for learning for children and their families.
